"Where is farmer Joe?"
asked Hugo the horse.

"He is not feeling well,"
replied Herbie the
humming bird. "I will
go and look in on him."

I see Farmer Joe is
not Feeling Well. He
is healthy and strong.

Farmer Joe will be better soon.

"I feel great!
Now I have
natural immunity,"
said Farmer Joe.

The Veterinarian is coming soon.
He says you will need a shot
So you don't get sick like me.

Hi Farmer Joe, I am here to
Vaccinate Hugo the horse.

"I don't want a shot," said Hugo.

WAIT!

Before you
Do anything,
Let's see how the
other horses are.
Maybe they aren't
getting sick

I think
He should
get it

I don't

yum

"It will not hurt to wait
until we know
more," said
the wise
owl.

smart

"None of these horses are sick. Everyone is very healthy," said Herbie.

"Farmer Joe, the horses are all healthy. They are not in danger!"

Hmmm...

All medicines are risky, especially for children.

Thank you for
coming by, but Hugo
is young and healthy
He is not at risk.

Thank you for
Protecting me,
Farmer Joe!

You're welcome. We are all best friends 4-ever!

Smart
man!

yes!

Yum

Purrrrrr...

It is wise to wait
and learn the truth.
